### Deposit & Payment Schedule for Private Ski Programs

In order to secure your place in a program a deposit of 500 Euros is due at the time of registration. We cannot hold your place without this deposit. Phone reservations can be held for 60 days while we await your payment. The balance of the trip fees is due 60 days prior to the starting day of the trip. This is the balance due date. For registration after the balance due date, full payment is due at the time of registration. If full payment is not received by the balance due date and other arrangements are not made with us, we reserve the right to consider your registration canceled.

### Cancellation & Refund Policy

If you cancel your enrollment for any reason the following policy applies:

- If you cancel 60 days or more before the balance due date, you will receive a refund of all payments and deposit.
- Cancellation occurring after the 60 day balance due date will result in a complete forfeiture of all fees.

### Trip cancellation, Interruption & Emergency Evacuation Insurance

In order to protect yourself from the loss of nonrefundable fees we strongly recommend you purchase trip cancellation insurance. This type of insurance will allow you to recover fees resulting from cancellation due to personal or family illness occurring before or during your program.

### Conditions of Participation

There are a number of conditions required for participation in our programs. These include, but are not limited to agreement with, and understanding of the cancellation and refund policy outlined above.

I have read and agree to the conditions of the Cancellation and Refund Policy set forth in this registration form.
